

Longview-Kelso Building and Construction Trades Council Annual Holiday Donation to Lower Columbia CAP

Labor and Community partners and members, please join us in our annual rally to deliver much needed proteins to our friends at Lower Columbia CAP for their meals on wheels program that services the Cowlitz and Wahkiakum counties.

Each year we purchase Hams from our area Union Grocer Cascade Select Market in Castle Rock, WA. This was kicked off back in 2008 with just a \$500 donation, and last year we were able to donate \$10,000 for our community members and families in need!

For more information please contact LKBCTC President Mike Bridges 360-431-1472

Please make checks payable to Cascade Select Market, and make sure to let us know your donation amount before Dec. 1st.
